Inspector General's Recommendation Number 2c, page 40

Recommended DCI Action: Approve as modified

Inspector General's Statement

Recommended that:

DTR redesignate his Overseas Training Staff to better reflect its expanding function as a clearing house for training doctrine; that its role as a depository and an editorial and coordination staff be negotiated with the Directorates and publicized, including preparation and dissemination of bibliographies under the various security limitations that may apply.

DD/P Comment

✓ Concur with modification. The Overseas Training Staff is not a clearing house for doctrine. It is a clearing house for publications. In that role it is of real value and we are prepared to discuss with the Director of Training any necessary measures further to define its functions and increase its usefulness.
